

PREPOSITION ZOO

Where do the animals go?

Preposition zoo is opening this weekend and the zookeepers have forgotten where each animal goes! Can you help them?

Penguin lives in the white enclosure.
Gorilla needs to be placed opposite Penguin.
Tiger lives next to Gorilla in a yellow enclosure.
Elephant lives next to Penguin but does not live opposite Gorilla.
Giraffe lives two enclosures to the right of Gorilla, next to Panda.
Rhino lives on the left of Tiger.
Giraffe is opposite Lion.
Zebra is between Penguin and Lion.
Kangaroo is near to elephant and rhino.
