On Friday the 23<sup>rd</sup> March the children will be getting fully involved in supporting and raising money for Sport Relief.

We are encouraging children to come to school in their favourite sports clothes which will help them get in the mood for taking part in the Longfields Laps.

Throughout the day a Sport Relief baton is going to be taken on laps around the school field with all the children having the chance to take a turn. We will record the total amount of laps completed. For a 50p donation children and adults can have a guess as to how many laps we will complete, the nearest to the total will win a prize. There is no limit to how many guesses you can have.

Children from year six will be taking peoples guesses from Monday the 19<sup>th</sup> March all the way up to the event on the Friday. Look out for them on the playground before and after school or put your donation in a marked envelope and it will be collected from your child's class.

Sport Relief is a fantastic charity that works hard to help as many people as possible to live a happier, healthier and safer life. The money raised is used to tackle critical issues affecting people across the UK and the world.
